RE: FEE-FOR-SERVICE GENERAL PRACTICE OBSTETRIC BONUS PROGRAM

There is dedicated funding for a bonus payable to fee-for-service General/Family Practitioners who provide labour and delivery obstetrical services.

Eligibility
Practising fee-for-service General Practitioners who provide obstetric services billable as fee code 80004 - Delivery, or 80014 - Attendance at labour are eligible to receive a bonus payment each year. The most recent one year period for which the bonus is payable is April 1, 2018 to March 31, 2019.

Applying for the Bonus
The 90 day claim submission period for the last date of the one year period will end on July 1, 2019. Eligible General Practitioners should submit an application for the bonus by July 31, 2019. The application form is part of this Newsletter and can also be printed from the MCP website at http://www.health.gov.nl.ca/health/mcp/. Completed forms should be sent to the Physician Services Division of the Department of Health and Community Services by fax (709) 729-5238 or mail:

Calculation of the Bonus

The bonus amount for an individual physician will be calculated by multiplying the total number of normal delivery and attendance at labour codes (80004 plus 80014) paid to that physician times $100 and adding the result to the applicable figure from the following table:

<table>
<thead>
<tr>
<th>Total Units 80004 + 80014</th>
<th>Bonus Contribution</th>
</tr>
</thead>
<tbody>
<tr>
<td>1-5</td>
<td>$2,500</td>
</tr>
<tr>
<td>6-15</td>
<td>$5,000</td>
</tr>
<tr>
<td>16-30</td>
<td>$7,500</td>
</tr>
<tr>
<td>31 or more</td>
<td>$10,000</td>
</tr>
</tbody>
</table>

Example:
A General Practitioner was paid for 20 deliveries and 4 attendances at labour in the one year period. The bonus payment will be \((20 + 4) \times 100 + 7,500 = 9,900\).

Payment

The bonus amount will be paid by MCP as a financial adjustment beginning the first pay period in September, 2019. If the payment is delayed for technical reasons, it will be made on the earliest possible upcoming payment date. Applications received after July 15, 2019 will not be approved for payment.
